Please join the Pennsylvania Department of Transportation (PennDOT) and Bridging Pennsylvania Developers I (BPD-I) at a virtual Public Meeting for the **I-81 Susquehanna Bridge Project**, which is part of the ongoing PennDOT Major Bridges P3 Project.

The purpose of the webinar is to introduce key members of the BPD-I team and provide an update about specific pre-construction and anticipated upcoming construction activities and scheduling.

This webinar will feature a comment form that allows participants to directly submit comments to our team and we will provide additional avenues to stay informed on the latest project updates.
