## APRAS Web Address

APRAS can be accessed at: [www.apras.penndot.gov](http://www.apras.penndot.gov). Be sure to update your bookmarks to the new location.

## Technical Requirements

An Internet connected device can be used to access APRAS. The following web browsers are supported:

- Microsoft Edge
- Chrome
- Firefox

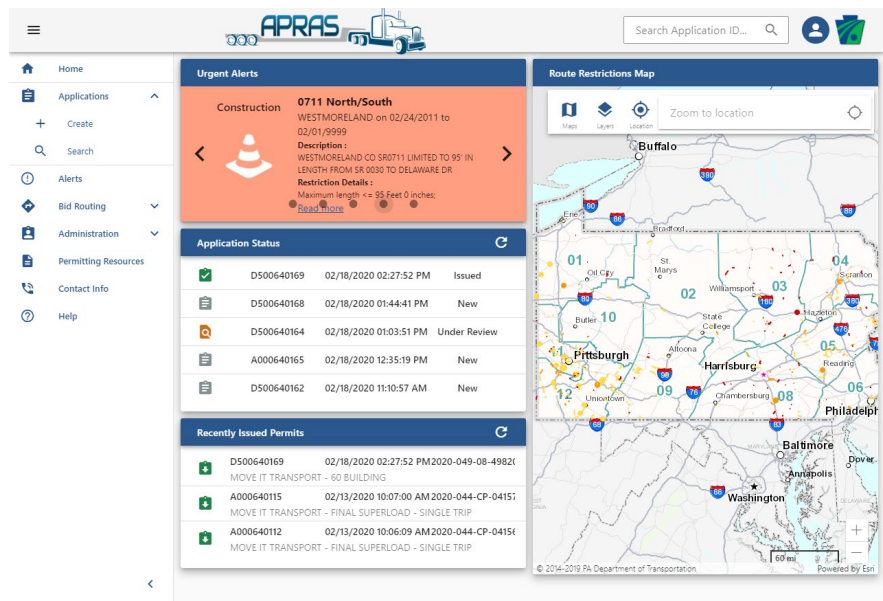

## Navigating APRAS

### Side Menu Navigation

- The hamburger icon (≡) will hide or show the side navigation menu
- Sub menus can be expanded (∨) or collapsed (∧) using the arrow icons
- The side navigation menu can be collapsed (<) or expanded (>) using the side arrow icons

### View Restriction on the Map

The APRAS Map, both on home page, and in each application, provides functionality to view restrictions directly on the map. Select the layers (📍) option to enable or disable restrictions.

## Search Applications

### Quick Application ID Search

A quick search feature can be found in the header next to the APRAS Logo. Entering part or the full Application ID will locate the application.

### Advanced Search

APRAS includes an advanced search feature, which can be located by expanding the Application section in the side menu and selecting Search.

- Expand the filter (≡) option to filter results
- Results can be downloaded (↓) to export to Excel
- Permits and Denials can be viewed through the action menu ellipsis (⋮) for a search result

Application ID	Status Date	Status	Permit Number	Permit Type	Load Description	Origin County	Destination County	External Prod	Top Number	Gross Weight	Height	Width	Length	Submitter	Actions

## Application Navigation

- Navigate the application in two ways:
  - Each section of the application can be accessed in the header of your application
  - You can advance to the next tab or the previous tab, by using the continue or back buttons at the bottom
  - Permits and Denials can be downloaded or viewed through the action menu ellipsis (⋮) for an application
