

SR 0032, Section ID2
River Road over Tributary to Delaware River
Plumstead Township, Bucks County, PA
MPMS# 116892
Purpose and Need Statement

Project Purpose

The purpose of the project is to address concerns caused by the remnants of Hurricane Ida, and to provide continued safe and efficient access on SR 0032 over Tributary to Delaware River.

Project Need

Project needs are a result of the damages incurred to the structure and roadway by Hurricane Ida, which struck the region in early September 2021. Needs include the following: The existing streambed has been scoured out resulting in the undermining of bridge abutments. Temporary repairs have been made to the existing roadway which was washed out and the existing guiderail was damaged.
