Aqua Pennsylvania Utility Improvement to Close Route 73 (Church Road) in Cheltenham Township

King of Prussia, PA – The Pennsylvania Department of Transportation (PennDOT) announced today that Aqua Pennsylvania will be performing water main construction on Route 73 (Church Road) in Cheltenham Township, Montgomery County, beginning Monday, May 1.

Motorists are advised of the following travel restriction:

- Monday, May 1, through Friday, September 29, from 9:00 AM to 3:00 PM, a weekday closure is scheduled on Route 73 (Church Road) in both directions between Panther Road and Heacock Lane. During the closure, motorists will be directed to use Washington Lane, Route 309 (Cheltenham Avenue), Limekiln Pike, Route 309 (Ogontz Avenue) and Easton Road.

Local access will be maintained up to the work zone. Motorists are advised to allow extra time when traveling near the work area because backups and delays will occur. All scheduled activities are weather dependent.

Aqua Pennsylvania will complete this project under a PennDOT Highway Occupancy Permit.

Motorists can check conditions on more than 40,000 roadway miles by visiting www.511PA.com. 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 1,000 traffic cameras.
