

Zelienople Municipal Airport (PJC) is a general aviation airport located in Zelienople, 20 miles east of the border with Ohio. The airport supports a variety of aviation activity, including flight training in fixed wing and rotorcraft, air charter, corporate/business flights, aerial inspections, and air ambulance transportation. The Private Jet Center provides fixed-base operator (FBO) services, including maintenance, refueling and charter services. The airport welcomes members of the community to view aviation activities and is also frequently utilized by non-local visitors and professional athletes coming to the UPMC Lemieux Sports Complex for training and medical assistance for sports-related injuries. The airport continues to work through upgrades and changes on the 300 acres to provide exceptional service and amenities to those wishing to utilize the property. These upgrades, along with the wide range of aviation activities seen on-site, further emphasize the importance of the airport in the local community.

This airport is classified as a Advanced Airport in Pennsylvania's State Aviation System Plan and is eligible to receive federal funding from the FAA.

Economic Impact Categories

Employment:
The total number of persons employed that are associated with business revenues and payroll, regardless of whether they are full-time or part-time.

Payroll:
Total employment compensation including wages and other benefits (e.g., health care insurance payments, retirement contributions, etc.)

Output:
Includes expenditures needed to administer airports, sales of goods and services by airport tenants, budget expenditures by public sector agencies located on airports, cost of capital expenditures, visitor spending in Pennsylvania's hospitality-related sectors, and sales enabled by air cargo services. This is also referred to as "business revenues" or sales.

Direct Impacts: Initial impacts that occur on- and off-airport, such as airport operations, construction, airport tenants, visitor spending, and more.

Multiplier Impacts: Includes "indirect" and "induced" impacts generated when portions of direct revenues are used to purchase goods and services from PA businesses and when workers re-spend their income in the state.

Total Statewide Aviation Impacts

The statewide economic impact of Pennsylvania's airports consists of two major categories: On-Airport Activity and Off-Airport Activity. Together, they account for approximately **\$34.2 billion in economic impact for Pennsylvania.**
