

Pennsylvania Transportation Planning Process

PLANNING

SETS DIRECTION

**Long-Range Transportation Plan (LRTP)
20-Year Plan**
(Updated every 6 to 10 years)

Where do we want to go?

Goals ▪ Objectives ▪ Measures

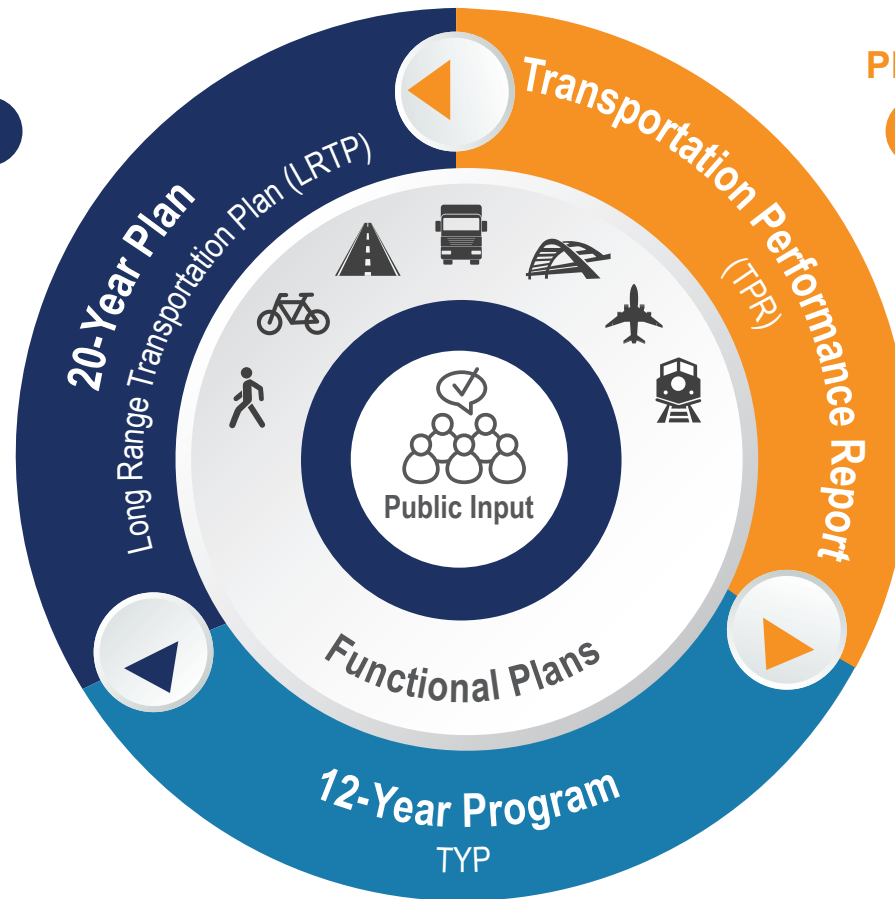

How are we going to get there?

Implementation Strategies

Policies ▪ Priorities ▪ Functional Plans
MPO/RPO LRTPs

What are functional plans?

Funding ▪ Modal Focus
Address Trends & Issues

PERFORMANCE MEASUREMENT

MEASURES PROGRESS

Transportation Performance Report (TPR)
(Updated in odd-numbered years)

How did we do?

Monitor ▪ Report ▪ Evaluate

Where do measures come from?

State and Federal Requirements

What do we measure?

Safety ▪ Mobility ▪ Accountability
Funding ▪ Preservation

PROGRAMMING

PRIORITIZES PROJECTS

12-Year Program (TYP)

How can we best use available funding?

Lists funded projects for a 12-year period

First four-year period is the Statewide Transportation Improvement Program (STIP)

STIP compiles MPO/RPO Transportation Improvement Programs (TIP)
