

One Person Sandbag Filler

PennDOT District 5 – Schuylkill County Maintenance

Problem/Challenge Addressed

Improve production in filling sandbags with limited resources.

Method/Process/Product to Resolve Challenge

Cut 8-inch PVC Pipe in 18-inch lengths/insert bag in pipe and fill with sand or screenings, remove pipe and tie bag

Results/Key Takeaways

Limits manpower needs/improves safety due to eliminating holding the bags in a bent over position
